Tewksbury - Wilmington

Wilmington, Mass. Edition

19TH YEAR - NO. 35 | 658-2346 | THURSDAY AUGUST 29, 1974 | FIFTEEN CENTS

Schools start next Wednesday

The 1974-75 year, in the Wilmington Public Schools, starts next Wednesday, September 4th. School officials are expecting over 600 pupils this year, of which about 1500 will be High School students, 100 in the seventh and eighth grades, and 3600 in the grammar schools, including kindergarten.

Wednesday is to be only a half day, for grades one through six, and Thursday and Friday will be full days. Lunches will be served on all three days, this week.

There is to be a Wednesday afternoon dismissal for all elementary grades (1-6) for the entire school year 1974-75, at 12:30 pm.

Bus schedules

Complete bus schedules are in this issue of the Town Crier. But there are differences on the first days.

On Wednesday (Sept. 3rd) Grade Nine will be from 12 noon to 2:20 pm. All bus runs regularly schedule for 8:45 am will be at 11:15 am. Likewise, all bus runs regularly scheduled for 9:05 am will be at 11:35 am. This will be for Wednesday only.

Bus schedules go into full schedule on Thursday. Wilmington High School buses, grades 10 through 12 have a 7:50 am and 2:20 pm schedule. Grade nine buses have a 9:30 am and 4:00 pm schedule.

The North and West Intermediate Schools buses start on Thursday at 7:55 am and 2:30 pm.

All elementary school buses, grades 1 - 6, start at 8:45 am and 3:00 pm. Elementary schools will bt on Monday, Tuesday, Wednesday morning, Thursday and Friday. Wednesday school bus schedules for the elementary schools are at 8:45 am and 12:30 pm.

There will be two kindergarten groups, this year. There will be a morning class, and an afternoon class, and after half a year these classes will be alternated, the morning class going to school in the afternoon, and the afternoon class going in the morning. In this way each child will be getting an equal class exposure.

There will be no Wednesday afternoon classes, in the kindergarten.

Buses for the kindergarten will have, in the morning, at 8:45 and 11:45 schedule, and in the afternoon, a 12:45 and 3:15 pm schedule, (except that there will be no Wednesday afternoon buses).

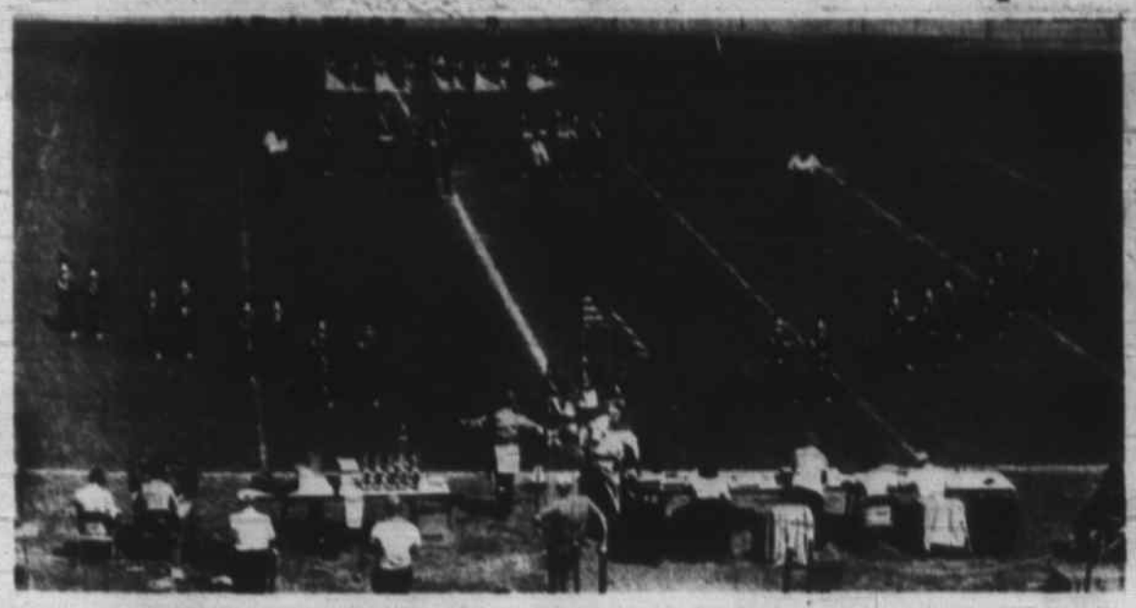

Tax Rate to go down $2.50

Principal Assessor Anthony Krzeminski will probably go to the State House today or tomorrow to set the 1974 tax rate, with the State Commissioner of Accounts. Until this is done nothing can be said, officially.

Unofficially the Town Crier is predicting a drop of $2.50. The money spent in the Monday special town meeting has had no effect on the coming tax rate, although the Principal Assessor did not wish to make his final figures until the Town Meeting was completed.

Wilmington spent $61,600 Monday night, all coming from "Free Cash," and not affecting the 1974 tax rate.

Crusaders are State Champs

IN PERFECT POSITION AND FORM: The Wilmington Crusaders, photographed in the Cawley Stadium, in Lowell, last Sunday at the time they won the state championship.

There was a half-mile long spontaneous parade, in Wilmington, Sunday evening. To the blissful thanks of the young people in the Crusaders, the junior drum and bugle corps of Wilmington, the Wilmington Fire Department and the Wilmington Police Department escorted them, from the Tewksbury line, down through Wilmington and to North Wilmington and then finally to the Wilmington Plaza.

It was a nice time for the spontaneus paradespontaneous parade, with sirens and flashing lights, the time being about 6 pm.

For the Wilmington Crusaders, Class C. Drum & Bugle Corps, 64 strong, had just won the State Championship, in the Mayflower Finals in Cawley Stadium, in Lowell, it was, to say the least, quite an event.

Spot zoning for Sons of Italy

Did the Town Meeting vote a Sword of Damocles?

For seven years the members of the Wilmington Lodge of the Sons of Italy have worked to have their own clubhouse, in an area where there would be no conflict with neighbors, and where the members could enjoy the full use of the facilities. The lodge finally bought 17 acres of land, at the northern end of Ballardvale Street. Monday night, in the Town Meeting, the lodge members were seeking to have the land rezoned to industrial, to further their purpose of building their own clubhouse.

The Town Meeting voted to rezone the Sons of Italy land, but no other. As voted the land could be described as "spot zoning," and the SOI members were clearly unhappy. Rocco DePasquale, chairman of the Building Committee for the Lodge stated, in the final moments of the meeting, that the Attorney General would possibly find the property to be "spot zoned," and that even if this did not happen, there could be other attornies who could take the case, and go to court on similar charges.

The picture that Rocco drew was remindful of the story, twenty-five centuries old, of the Sword of Damocles, which hung by one horse hair over the head of the tyrant of a city-state of Greece. In this case the sword - spot zoning - is hanging over the collective heads of the Wilmington lodge.

Without industrial zoning the Wilmington lodge will be unable to build the type of clubhouse it has been planning. A non-profit organization, such as the Sons of Italy, might obtain a $50,000 loan for building purposes, on land that is zoned residential. On the same land, zoned industrial, the lodge might obtain a $500,000 loan.

It was a curious, many-cornered fight in an otherwise uneventful town meeting. The town meeting dominated by town employees and their spouses, this accounting for probably over half of the 320 voters present. Perhaps 70 voters were members of the Sons of Italy.

It was James R. Miceli, chairman of the Board of Selectmen who had offered the amendment to reduce the industrial zoning proposed to only the 17 acres of the Sons of Italy. He quite accurately paraphrased Attorney Joseph Courtney, who had made the motion, by observing that the land of the Sons of Italy was "the main objective" in the rezoning.

Mr. Miceli's action was a surprise to many. Atty. Courtney countered by saying that it was creating a "very dangerous element of uncertainty (in the zoning) which could defeat the purpose of the article."

SHEA AT THE MIKE: Attorney Charles Shea of Burlington drew a respectful audience, but not much more.

The Planning Board approved of Miceli's amendment, and this led to a statement by Finance Committee member Arthur Spear that "sometimes the Planning Board amazes me - they yell 'spot zoning' and yet here is a case - with a logical place for it (the clubhouse) and the Planning Board has the gall to disapprove of the article."

The intent of the amendment seemed to be lost, as some of those who spoke. Three times the Moderator had to make statements as to the meaning of Miceli's motion.

It seemed that some were afraid that there would be an unholy profit to land owners, if the entire land were rezoned. It was also apparent that there were those who were against gravel pit operations.

There were references to the new gravel pit of Anthony Paolini, which is on land which was within the scope of the original article.

Attorney Charles Shea of Burlington was introduced by Don Mercier of 47 Andover Street. Mr. Shea is one of the better attornies in the county, but it was evident that he did not have much time for preparation.

He spoke of the new gravel pit, for Mr. Paolini. There wasn't much that could be said. He was speaking in pleasant platitudes. From the viewpoint of those who sought to have the entire area rezoned, so as to "protect" the Sons of Italy, Mr. Shea did not ac-

JOHN T. KREY RECEIVES MASTE'S

John Theodore Krey of 34 Andover St., Wilmington received his Master of Science Degree from Bowling Green State University in Bowling Green, Ohio at commencement exercises held at the university on August 24th.

Cain endorses Sacco for Attorney General

Wilmington's Rep. Fred F. Cain has publicly endorsed George L. Sacco as the Democratic nominee for Attorney General.

In announcing his support for the 38-year-old attorney, Rep. Cain said, "No other candidate for this office holds more knowledge of how state government operates than George Sacco. I came to appreciate Mr. Sacco's vast expertise on bugetary matters when he served as Vice-Chairman of the House Ways and Means Committee, the committee which approves all state funding. He knows how to use the Attorney General's office to ensure that waste and duplication in state government is minimized, thereby assuring the taxpayer that he will receive the most for his tax dollar."

Sacco served eleven years in the Massachusetts House of Representatives before he voluntarily stepped down from his Vice-Chairmanship and gave up his seat earlier this year to ensure that he would not campaign on the taxpayers' time and money. During the course of his legislative career, Sacco has sponsored more laws that all his othan all his opponents combined.

School Committee has 1300 answers

Some weeks ago 5500 questionaires were mailed out by the school committee of Wilmington, one for each pupil, to Wilmington parents. The questions asked what was liked, and what was disliked, in the schools, and the school committee has been hoping for a good response.

Two weeks ago the number received was 1300, with perhaps another 100 in the post-office, awaiting the payment of postage. The committee, obviously, was pleased, for the number amounted to a 25% response.

There is still time to mail in more answers. That is the school committee message to parents who have had good intentions, but haven't done anything yet.

Rhonda Helen Price, daughter of Mrs. Angela Crommiller of Tewksbury and James Price Sr. of Revere became the bride of Louis G. DiGregorio, son of Mr. and Mrs. Ernest DiGregorio of 7 Moore St., Wilmington on Saturday, August 17th.

Town Meeting

(From Front Page)

complish much.

Then Mrs. McKie, of the Finance Committee spoke up. She had read, in the Sunday Globe, an advertisement offering for sale gravel, from North Wilmington. She had called the numbers, she said, and asked if the gravel could be delivered to North Reading. She reported that she had been assured there would be no problem, and she identified the speaker as Mr. Paolini.

Her speech had its effect, even though Mr. Paolini was not breaking the law. He has a legal and lawful pit, bonded by the selectmen, and has a right to sell gravel out of town.

Miceli's amendment was adopted. A majority vote would have done it. The vote was an overwhelming 197 to 109.

Frank Barcellos of Ballardvale Street was the only resident of the street to speak, and he lives northerly of the proposed site for the Sons of Italy clubhouse. His talk was somewhat confusing at times.

Barcellos had "not one objection," and then added "we are fighting for our homes."

He asked "who is giving them a problem?" and answered by saying "Not the people of Ballardvale Street." It was to be presumed that the them was the members of the Sons of Italy.

Mr. Barcellos then brought on a chuckle, when he referred to Courtney and Shea as "high priced attornies."

Bill Hanlon of the Planning Board was against rezoning, without knowing the firm involved. "Give me a detailed description, and I'm for it."

Selectman Gillis, who had been expected to speak early in the debate, waited until near the end, and then stated that he was against the original article, and he didn't want to "turn the whole town over to speculators."

The final vote, to rezone only the 17 acres belonging to the Sons of Italy, was at 9:25. The vote was Aye 311, No 10.

12:30-1:00: Students will be in an assembly in the auditorium. Here they will meet the administrators and counselors. A question and answer period will follow.

1:00-2:15: Students will have a chance to find their lockers, classrooms, and meet some of their teachers. Refreshments will be served in the large cafeteria. Upper classmen will be available to answer any questions and assist the freshmen in finding their classes.

2:30: Dismissal - bus students will load at the bus turn around on Adams Street.

On Thursday, September 12th at 7:30 pm a coffee hour will be held for all parents of incoming freshmen in the High School auditorium. Parents will have an opportunity to meet the principal, assistant principal, dean of students, and coordinator of student activities, along with their child's counselor. Copies of the student guide for the High School will be passed out and parts of the guide that are of particular interest to parents will be explained. Following this there will be a question and answer period.

Middlesex Community College discussion tonight by school committee

The Wilmington School Committee, meeting at 8 o'clock tonight in the Roman House, will discuss, among other things, the forthcoming Evening Program in Wilmington of the Middlesex Community College.

Also to be discussed is the vacancy in the chairmanship of the Business Education Department. A revision of the cumulative folder that is to be utilized in the elementary schools will be considered, and to be considered is a proposal for a new honors program at the intermediate school level.

Taxi transportation bids will be awarded, and new teachers for the forthcoming year will be elected.

The next meeting, regularly scheduled, will be on Sept. 5th at the Roman House.

Bognore - Traynor Nuptials

On Tuesday evening, July 23rd, Janice Marie Bognore, daughter of Mr. and Mrs. Joseph J. Bognore of 389 Middlesex Ave., Wilmington became the bride of James H. Traynor, son of Mr. and Mrs. Donald C. Traynor of 99 Leroy St., Lawrence. Father Joseph Leahy performed the ceremony before the altar of St. Dorothy's Church.

Given in marriage by her father, the bride was radiant in a full length gown of white dotted swiss, featuring a full gathered skirt and self ruffle at the neckline and hem. She carried a Colonial bouquet.

Cheryl Ann Bennett of Wilmington served as maid of honor in a full length gown of yellow dotted swiss. She carried a yellow Colonial bouquet.

Raymond Cardello of Lawrence acted as best man.

Following a wedding trip to Lake Winnipesaukee and Canada, the couple is now residing in Lawrence.

The new Mrs. Traynor is a graduate of Wilmington High School.

Mr. Traynor graduated from Lawrence Central Catholic High School, served with the U.S. Marine Corps and is currently employed in Lawrence.

Betty Knower is Bride of Sidney Kerr

The marriage of Betty L. Knower and Sidney L. Kerr took place on July 13th at the Martha Mary Chapel, Sudbury. Betty is the daughter of Mr. and Mrs. Russell S. Knower of Lynnfield and Sid is the son of Mr. and Mrs. Robert S. Kerr of Marion Street, Wilmington.

Matron of honor was Mrs. Barbara (Knower) Donahue, sister of the bride. Best man was Robert S. Kerr, Jr. of Albany, New York, brother of the groom. Miss Debra Knower attended the bride and Miss Tia Donahue was flower girl. Ushers were Thomas Knower and John Antin.

Officiating ministers at the double ring ceremony were Father Joseph Gough of Sudbury, and the Rev. Richard Woodman of Reading. Music was provided by guitarists and singers Nancy Lally and Dorothy Cabral of Sudbury.

The bridal gown was of white, daisy embossed eyelet, fashioned with cap sleeves, and had a rounded neck and empire waist, edged with eyelet lace, falling to a graceful A-line skirt. The bride's wide brimmed hat was covered with individual embroidered daisys. Both gown and hat were designed and made by the bride, who also carried an open basket of white daisys and baby's breath.

Betty, a direct descendent of an old Massachusetts family, dating back to 1630, graduated with honors, from Lynnfield High School in 1968. She received a B.S. cum laude, from Salem State College, a Masters Degree from Lesley College, and is a teacher in Burlington.

Sid graduated from Reading High School in 1967, and received an Associate Degree from Wentworth Institute in 1969. He is employed as a service coordinator for a pneumatics control manufacturer and is attending Northeastern University.

Public Announcement

The WILMINGTON SCHOOLS today announced a free milk and free meal policy for school children unable to pay the full price of milk and meals served in schools under the National School Lunch and School Breakfast Program. Local school officials have adopted the following family size - income criteria for use in determining eligibility.

INCOME ELIGIBILITY CRITERIA
FAMILY SIZE AND GROSS INCOME SCALES

Family Size	Maximum Gross Income For Free Milk and Free Meals
One	$0 to $ 2,910
Two	0 to 3,830
Three	0 to 4,740
Four	0 to 5,640
Five	0 to 6,480
Six	0 to 7,310
Seven	0 to 8,060
Eight	0 to 8,810
Nine	0 to 9,510
Ten	0 to 10,190
Eleven	0 to 10,860
Twelve	0 to 11,530
Each Additional Family Member	670

Children from families whose income is at or below those shown are eligible for milk and meals free. In addition, families not meeting this criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Parents should clearly understand that every meal served in schools is subsidized to a greater degree by State-Federal reimbursements. Those lunches served at full price are subsidized as well as those served free. Therefore, there should be no reluctance to apply for a free meal. If your family size, and gross income is within the "Income Eligibility Criteria" for free meals, we urge you and all eligible parents to fill out the application. The intent of these programs is to improve the nutrition of all children.

They may do so by filling in the application forms sent home with a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year. In certain cases foster children are eligible for free milk and free meals regardless of your family income. If you have such children living with you and wish to apply for such milks and meals for them, please file a separate application for each child.

Under the provision of the policy the Superintendent of Schools will review all applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may make a request either orally or in writing for a hearing to appeal the decision to Walter H. Pierce, Superintendent, 159 Church Street, Wilmington, Mass. 01887.

Hearing procedures are outlined in the policy and a complete copy of the policy is on file in the office of the superintendent of schools where it may be reviewed by any interested party.

The policy also provides that there will be no identification and/or discrimination against any child because of his race, sex, color, national origin, or ineligibility to pay the full price of the meal.

HOME OWNERS CORNER by Roger

Flexible cements are light in color and work equally well on both porous and non-porous surfaces. They will bond tile, glass, mirrors, asbestos-cement board, metal, brick, and many other materials.

They do not require clamping, since the glue sets rapidly. These glues should be used in areas where there will not be too much stress.

But, they are great for joining two different types of materials, such as metal to class or plastic to wood.

You'll find SWEEZEY HOME COURTESY CENTER, 615 Main St., 658-3051 is a great place to purchase all your building materials. We have one of the largest selections of paneling in the area with over 150 sheets of paneling on display by Weldwood, Royalcote, Barclay, Georgia Pacific and Abitibi. BankAmericard and Master Charges are honored. Hours 8 am to 5 pm daily.

Helpful Hint
Cellulose household cements are water and hear resistant, and come ready mixed.

Four girls from the Wilmington Recs were selected to the American Division All-Stars for the game recently played at Lawrence Hayden-Schofield Park. The girls were Debbie Bent, Betty Cote, Nancy Moore and Diane Pumfrey.

During the regular season Debbie Bent pitched in two of Wilmington's wins and pitched seven scoreless innings in a tough extra inning loss.

Betty Cote, although a seasoned catcher, played several positions on the team, was second on the team with a .433 batting average and hit with power. She had three doubles, one triple and two home runs. She was considered the team's MVP by Coach Jim Hastings.

Nancy Moore was the team's leader in home runs with three and was second in rbi's with 17.

Diane Pumfrey, a close second for team MVP honors led the team with 23 rbi's, batted .400 and hit for distance having four doubles, two triples and a home run.

In last Sunday's game, four all-stars all played a key role in helping to defeat the Nationals, 10-4.

POP WARNER FOOTBALL

Forsees biggest year yet

Pop Warner Football in Wilmington is experiencing its biggest year in its seventeen year history with an A and B and four C teams and is in need of equipment.

It would be appreciated if a boy has any equipment from previous years, he would bring it to the High School field this Thursday or Friday evening after six, or call 658-9786. There is also room for a few more boys interested in playing.

Off to Wakuta !!

OFF TO FREEDOM: And Camp Wakuta, where the Wilmington High School football team spends the last week in August each year. They'll be back Saturday, with their lungs full of fresh New Hampshire air, and their heads full of the latest Bellissimo strategy.

In addition to Coach Bellissimo and Assistant Coach John Rinkus the group includes Ken Polito of Temple Street, who is to be an Assistant Coach this year. The picture was taken Sunday, at the High School.

MVC stars shine in South victory

A number of former MVC stars shone brightly last Tuesday night at the North-South Charity game as the South squad was victorious 26 - 13. Wilmington star Dean Devlin shone not on offense but on defense as the middle linebacker. Dean plugged many an early gap in the South front as the Lowell-led North squad battered past the South defensive front.

Jack Holloway keyed the South front as the former Wildcat tri-captain held down his usual middle guard spot. Linemen Dana Daniell and Bob Scarano were forced to go both ways at times and did an exceptional job.

The most impressive defensive player on the field for the South was Chelmsford's Matt Kelley. Matt picked off a Tim Fallon pass to kill a North drive and separated a North runner from the pigskin with a vicious fourth period tackle along the sideling. The 6'1", 205 pound Kelley is going to be quite a catch for some college this coming fall as he plays both linebacker and tackle.

His cousin, big Bob Kelley did a fine job at defensive end for the South. The 6'-3" 215 pound Kelley also hails from Chelmsford.

Billerica did not go unrepresented in this year's tilt as halfback Pat Sella, tackle Tony Cataldo, and guard Ed Walsh all were all-star starters.

Star coach Fred Bellissimo maturally brought ends Doug Stewart and Tom Woods from his Wilmington squad along to put his flea-flicker play into action. The play begins with a slant pass to Woods who quickly shuffles the ball to a trailing Stewart who then streaks down the right sideline. This play shocked the North squad and went for the touchdown that broke the game open.

Tewksbury fans should remember the play well as it was used against the Redmen last Thanksgiving in Wilmington's 34-0 rout of Tewksbury. The game marked the last time that Coach Bob Aylward will assist Bellissimo as he moves on to make an attempt at rebuilding Tewksbury's football fortune this year.

Bobby Orr entertains Wilmington hockey player

Bobby Doucette, a 12 year old Wilmington Youth Hockey player was fortunate enough to attend the Orr-Walton Sports Camp. Bobby was the goaltender for Joe Murphy's Fliers last year and played on the Pee-Wee C team.

At camp, Bobby played on a team which placed first in the Orr-Walton games between August 11-24. The team lost only one game in the two week span.

The young goaltender, who was coached by John Garret and Bobby Orr during his stay at camp, was presented a trophy puck, a hockey record and Bobby Orr's book "Hockey as I See it."

WILMINGTON RECREATION TIDBITS

Beaches close Labor Day

Wilmington residents will be able to enjoy the main beach at Silver Lake for the last time this year on Labor Day, Monday, September 2.

The other beach, baby beach, will be closed for swimming after 6 pm on Sunday, September 1.

Both beaches, lifeguarded by Recreation Department guards saw increased numbers of residents taking advantage of thses fine facilities during the hot summer days.

Fun in the Sun ends

Ronald Swasey, Wilmington's Recreation Director, officially closed the playgrounds at 12 noon on Friday, August 23rd with high praise for the Commission Supervisor, leaders and aides. Record attendance, plus record numbers of successful events highlighted the eight week program.

Every day events which seened to need very little publicity except from the leaders, were extremely well attended. Family night cookouts, night trips to Silver Lake, museum, local pools (donated by generous parents) plus bike hikes, surprise days, etc., could not help but be most regarding to the youngsters.

James Gillis, playground supervisor, informed that special event days far surpassed last years endurance for success and attendance. He further noted that the youngsters thoroughly enjoyed the new ice time program offered by the Rec. Department plus the old favorite of every Tuesday, inter-playground competition.

The Recreation Department is extremely lucky and grateful to have such generous sponsors as the Knights of Columbus and the Police Association. Also included should be the Woburn Recreation Department for their play day and the carnival at the Town Park.

Kevin Field, drama specialist for the Recreation Department stated that close to one hundred children visited North Shore Music Theatre in Beverly to view such classics as Alladin, Rumplestiltskin, Harlequin, etc. Of course, the drama festival and mardi gras, as reported earlier, was viewed by over 500, plus over 100 participants.

Woburn Street

Woburn Street Playground would up its summer activities on a busy note. It started with bowling on Monday, in which several different bowling styles were exhibited.

Tuesday found Woburn Street at the Shawsheen School where the Orange Pusis were held back 3 - 2 in street hockey and 4 - 2 in softball. Overall, however, the girls enjoyed a very good sports season and improved greatly from their first games weeks ago.

Expecially noteworthy have been the efforts of Lisa Bova, the Robson sisters, Beatrice Cutone, Janet Magaliozzi, Kerrin Taylor, Stephanie and Linda Briggs, Lucy Tocco, the McFarland sisters, the Ryan sisters, the Gillespie girls, the Doyle sisters and all those names are too numerous to record here.

The Woburn Street Wildmen completed an undefeated season with an 8 - 3 romp once again. Craig Richards, Moran brothers, Bob Magliozzi, Bob Miele and Brian Sughrue led the team to victory.

In hockey actions, both boy's teams won, led by Scott Nolan and Scott Richards. Thursday's playground party began with a glorious time swimming in Magliozzi's pool, followed by a make-your-own-sundae party back at the school.

Tom, Michele and CAthi would like to thank all the youngsters for giving us an enjoyable summer as well as all the parents who contributed. It has truly been the best summer in recent years at the Woburn Street playground.

Boutwell

Monday the Nornets took a bike trip to the Town Park. Kickball, whiffle ball, football, and a walk through the woods filled the day. In the afternoon the tennis playoffs were held. For the girls Kim and Joan Wandell, and April Sanborn took first, second and third place respectively. Ronnie Stemmler, and Rusty Ryan won for the boys.

Tuesday the girls lost 5 - 1 to the High School in both hockey and softball. Kim Wandell scored the only goal and Donna Dickerson scored the only run.

The small guys remain undefeated in hockey. They also won softball 1 - 4. D'Amelio hit the winning run. The big guys lost in both hockey and softball.

Wednesday was Friendly's Day and the fashion show. Our whole looked very well down there at the North. We hope to give it to a children's hospital. Thursday's party was very successful with many winners in the marshmallow race. Tommy Craig, Lenny Licari, Tammy Macdonald, and Wayne Keough won the costume contest.

Friday the ecology-minded Hornets filled five trash bags with trash and then enjoyed three watermelons. Two bags of marshmallows were raffled off with Sean Deegan and Cheryl winning the goodies.

The Boutwell would like to thank the five or six dedicated mothers who were always there to offer assistance and Joe for being such a patient helper.

The High School Playground began its final week of Recreation by going to the movies to see The Stong. The children enjoyed it so much that they now use the finger roll over the nose to say hello to each other.

In interplayground competition the High Senior Termites whipped the Boutwell boys, 9 - 2 in softball and 4 - 1 in hockey. These two wins enabled the High to tie for first place in both sports, with identical 4 - 1 records. In softball the High had their best team of the season show up and belt the Boutwell around as the High batted thru the order in the first inning. Hitting standouts were Babe Woods, Sonny Liston, Peon LeFave and John Scuzzaro. Defensive standouts included Joey Simmons, Earl Paulson and Neil Wetzlar.

The High girls extended their winning streak to two games under their new coach, Leslee Webber, and thus boosted themselves into fourth place. The girls toppled the Boutwell 11 - 6 on hits by Lisa Mginley, Nancy Miano and Valeri Wetzlar. Defensive stars were Nancy and Beth Miano.

On Thursday the High held their playground party with the children bringing hamburgers, and hot dogs to be cooked over the grill.

Many thanks to all who assisted the High School playground staff this summer.

Tennis Tourney concludes

The Wilmington Recreation Department sponsored 12 to 20 tennis tournament concluded with semi-final and final round matches Saturday, August 24th in the 90 degree heat of the High School tennis courts.

A total of 43 matches were played in six divisions. Sixteen opening round matches were held Tuesday evening at the High School. An additional six first round matches and five second round matches were completed Wednesday, August 21st on the courts at the North Intermediate School. On Tuesday, several outstanding early round matches took place - Don Lombardi outlasted Randy Foster in one match 6-3, 2-6, 7-5, lasting two hours and 40 minutes; Dave Spring edged out Ray Dudley 6-4, 3-6, 6-3; Mark Smith slipped by Jimmy Connor and Tom McNamara outsteadied Rich Aronoposky to highlight the day's activities.

In Saturday's finals, the girls 13-14 group, Brenda Burns proved to be the more experienced player as she defeated Susan Joyce for the title.

Sheila Burns in girls 15-17 group, made it a family double as she outsteadied Paula Kavanaugh in a tough final.

The girls 18-20 group championship went to Merilee Cavanaugh.

In the most competitive group of the tournament, boys 13-14, Donald Lombardi and Steve Foley staged a near-classic ground-stroking duel which proved to be the highlight of the tournament. In the first set, Lombardi, brilliant from the baseline, took advantage of Foley's volleying errors to win a close 7-5 set. As the match progressed, however, Steve's more complete all-around game proved to be the difference as he steadied down and eventually wore out Don, 5-7, 6-1, 7-5.

In the boys 15-17 group, Jim Logan who earlier in the day won a close match over Tom McNamara, returned everything Paul Criscitelli could throw at him and blunted Paul's big serve and volley game to win a tight five set match 6-0, 2-6, 8-6, 6-0.

The boys 18-20 group final saw Pete Kocsur hold off a late charging Dave Spring in a 6-2, 6-3, 6-4 match which was much more competitive than the score would indicate.

Arts and crafts

Arts and crafts supervisor, Marilee Cavanaugh had a most enjoyable summer with the playground children. Their interest and creativity was refreshing and fun for all involved as any viewer of their exhibit will readily testify.

That arts and crafts exhibit was held in the foyer of the North Intermediate during the fashion show. There were eight projects completed at the seven playgrounds this summer along with various extras such as the Boutwell whale, the Glen Road bunny and the Shawsheen railway. The youngsters have learned activities that not only look impressive on display, but will keep them busy during free time in the school year.

Marilee would like to thank every child who participated and made the summer program so successful and she hopes to see them all again next year.

Ballroom dance scheduled

Deming Way Social Club

A surprise for three young men

There is a federally funded program, called the Neighborhood Youth Corps Program. It works out of Medford and employes, during the summer, some 817 young people, in twelve towns. They work for the various municipalities, getting $2 an hour, for a thirty hour week. Needless to say the money comes in handy.

In Wilmington the program is run, on a volunteer status, by several persons, one of whom is the well known Anthony DeLuca, of Federal Street, and another of whom is Steve Coursey, who is a Counselor-Coordinator. Steve is attending Bates College, in Maine and can be classified as a Concerned Student. He was one of the persons who helped Mr. DeLuca, being concerned with reports and payrolls, from a Federal level.

THREE YOUNG MEN: And hosts. From left, at the table are Richy Rosso of 284 Main Street; Barry Noonan of 669 Main Street, and Walter Moore of 12 Hobson Avenue. Standing are George Hooper of the WHA, and Steve Coursey. In back are members of the Deming Way Social Club.

Eighty-one young people were working in the program, in Wilmington, this summer. They worked for seven weeks. The program finished last Friday.

Three of the young men were assigned to the Housing for the Elderly project, commonly known, in Wilmington, as Deming Way. There they came under the eyes of a number of Senior Citizens, and what the Senior Citizens saw, they liked.

When the boys first reported they were told what to do, and that had to be the only time. They painted, they weeded, they cut grass, they trimmed hedges, they were always busy, and without anyone holding a stop watch to them.

The Senior Citizens were so appreciative that there was a surprise party for the young men, last Friday, in the Deming Way Social Club. The young men were enticed to the party with a story that there was to be a final review, with members of the Wilmington Housing Authority.

Freda Bishop, vice president of the Social Club, was the lady who presided, but there were no formalities. George W. Hooper was there from the Wilmington Housing Authority and Steve Coursey too.

It was all very nice - for the forty-odd Senior Citizens who thought up the idea, and for the three young men, who bashfully helped to consume the goodies that the Social Club had prepared, and who also bashfully accepted a little "extra" gift from the Club.

AT THE CAPTAIN'S TABLE: Mr. and Mrs. James Demos of Hopkins Street, Wilmington and family have returned from a cruise on the Anna Marie, of the Greek Line, to Bermuda, during which Jim met two boys from his home town in Greece, who were members of the crew.
They are shown at the Captain's Dinner Party. L. to R. Joy, Jan, Jim, and Judi, and Eleanor too.

Russ doesn't take any guff

Names don't matter, in this story. It happened, last week, in Wilmington. The man who shall be called the star is Russ, an ex-Navy boy who has had his own rough sledding in life. He had just gotten a job as a store clerk, when the action started last week.

Two sixteen year old boys, juveniles, were the only customers in the store, one night last week. The act they put on is familiar to store keepers - one up near the cash register, to keep the clerk busy while another was wandering around the store looking for opportunities to do some shop lifting.

Russ didn't like it, and told the boys to get out. They gave him some lip, and Russ put them out. Then the young fellow who had been hanging around the register went over to Russ's car, and it seemed as though damage was about to be done. Russ rushed out, pushed the boy away, and saved his car. Perhaps pushed is a mild term.

The kid had an older brother around, a fairly nice guy, about 24 years old. The older brother heard that Russ had "whacked" his younger, and went charging to the family defense. Into the store, and over the counter.

Russ met him half-way. The older brother was put out of the store. It wasn't exactly a melee, but neither was it a love-feast. Somehow the police were alerted.

The cruisers responded - all of them, including the Dog Cruiser. The cops, to give them credit, calmed things down. Russ and the older brother were soon on speaking terms.

The older brother heard the story, direct from Russ, and turned to go home and see his younger brother.

That's where the story ends. The reader can take it up from there.
